Dear Sir,

### Requesting sponsorship for the conduction of one day medical camp

ASDA, invites you to become a sponsor for one day medical camp programme for the benefit of the regional population of kekunagolla.

The primary source of funding for the medical camp is from corporate sponsors such as yourself thus the medical camp receives no government funds.

We planned to conduct the medical camp on 19<sup>th</sup> of April 2015, from 8.00 am onwards at KNS, Kekunagolla.

It is a free medical camp in kekunagolla. Population of the village is around --, majority of the residents are living below poverty line. The area is recently developed & has fewer medical facilities.

The camp aims to provide some basic medication, health related guidance & awareness. As you may be aware AOSA has provided several programmes with the guidance of ASDA, such as motivational & guidance programmes & conduct a model examination for students to just measure their current knowledge.

Your sponsorship will help assure the success medical of our medical camp. Enclosed please find some more information on this noble event & its sponsorships levels. Please feel free to contact us with any additional questions.

Thank you for your valuable time.
